

QD-250

A portable air pillow machine for "big business" aspirations

The QD-250 air pillow machine is designed for businesses who want to gain a big business advantage. QD-250 is simple to use with an entry level price point. Impress your customers with a clean, efficient and smart way to pack and protect your product.

The QD-250 will suit those operations that:

- have limited space requirements or are in multi functional work spaces
- are occasional users of larger volumes of void fill
- are low volume, small box shipper

- SAFE AND CLEAN
- SIMPLE AND ENVIRONMENTALLY FRIENDLY
- LIGHTWEIGHT
- USER-FRIENDLY
- NO COMPRESSOR NEEDED
